STATEMENT OF SUBSTANCE OF AN INTERVIEW

Mail Stop Amendment   Date: September 23, 2009
Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Sir:

On September 16, 2009 the Applicants, by and through the undersigned representative, held Examiner-initiated telephonic interview with Examiner Fritz. Claims 1, 6, 12 and 18 were discussed. No prior art was discussed. The Examiner proposed a plurality of amendments which, if authorized, would make the case allowable. In particular, the Examiner suggested rewriting claims 1, 6, 12 and 18 to include dependent claims 2, 7, 13 and 19, respectively. The Examiner also noted that claim 1 is non-statutory because it is not tied to a machine. The Examiner presented US Patent No. 7,171,526 by Cruz as the basis for the amendments. No agreements were reached.

On September 22, 2009 the Applicants, by and through the undersigned representative, held Examiner-initiated telephonic interview with Examiner Fritz. 1, 6, 12 and 18 were discussed. Applicants notified the Examiner that the Applicants are not authorizing the entry of the Examiner's proposed amendments at this time. No prior art was discussed. No agreements were reached.

Respectfully submitted,
/Utpal D. Shah/
